

BADC conditions of use

- The BADC will store details of what you intend to use the dataset you have selected for. The principle investigator(s) and other persons needed to administer and monitor the datasets use may be given these details.
- The BADC uses cookies to maintain session information for web downloads.

Terms and Conditions for SAGE III data and information provided by NASA Langley DAAC

This is the text of the Conditions of Use notice from NASA Langley DAAC which was supplied with the data

Acknowledgments

The requested form of acknowledgment for any publication in which this data are used is:

"These data were obtained from the NASA Langley Research Center EOSDIS Distributed Active Archive Center."

Reprints

The Langley DAAC requests two reprints (in electronic or hardcopy form) of any published paper or report which cite the use of data that the Langley DAAC have distributed. This will help the DAAC to determine the use of data distributed, which is helpful in optimizing product development.

Redistribution of Data

To assist the Langley DAAC in providing the best service to the scientific community, a notification is requested if these data are transmitted to other researchers.
